Thanks, [REDACTED] I apologize, but I wanted to clarify: Below, when you say you are in the midst of [REDACTED]

[REDACTED] Is that still the case?

I'm also available tomorrow morning, if it would be easier to chat.

Thank you,

Hi [REDACTED]

Hope you're doing well. I had a quick question: Looking at the current version of the MOA, I was reminded that our previous formal point-of-contact for referrals was Curtis Coy. Realizing that he is no longer at the VA, and that there may no longer be an Undersecretary for Economic Opportunity, do you know who is now functionally serving in that same role?

Thank you,

Hi [REDACTED] -I apologize, but I've had a bit of a fire drill pop up that would make it difficult for me to chat this afternoon. Might you have any availability tomorrow or Friday?

Again, I do apologize.

I really enjoyed our open conversation yesterday, and absolutely will make time for follow up and routine discussions. Wednesday afternoon works well for me.

Hi [REDACTED]-Thank you again for chatting yesterday. I was wondering: Might you have time next Wednesday afternoon or Friday morning to have a quick follow-up call? I'm just talking with managers here about the issues we were discussing and should have some additional thoughts by then.

Thank you,

Thanks! Is there any chance you could do tomorrow/Tuesday at 3.30pm (instead of 3)?

Thank you for the quick response. I am actually on travel Monday, so I don't think that day will work. I should be available Tuesday the 19th at 3 PM if that works for you?

Hi [REDACTED]

Thank you for your message. I'd be happy to chat with you about this. Might you be available sometime Monday afternoon? With the exception of 3 to 3.30pm, I should be relatively free. So please let me know if there's a time that works for you.

Thank you,

Hello FTC leaders,

I am emailing you to introduce myself as the new Veterans Affairs Education Services Point of Contact. Based on the MOU between our agencies, I look forward to providing mutual assistance in the oversight and enforcement of laws pertaining to the advertising, sales, and enrollment practices of institutions of higher learning and other facilities that offer training for military education benefits recipients.

It is my understanding that Education Service has referred two cases to FTC for investigation.

1. Charlotte School of Law
2. Globe University

Would anyone be able to provide me current status on these two referrals?

If you are no longer supporting this MOU at FTC, please let me know and I can remove you from my contact list.

Thanks,

[REDACTED]
